Thread: [Chance to win an 2 x XBL/PSN code's of your choice.](#)

Xela - April 16, 2013, 9:56 pm

Basically I need a sales thread for my XBL/PSN shop:

<https://hackforums.net/showthread.php?tid=3413551>

And I also need a signature to match it.

Who ever comes up with the best sig/thread design will win a choice of any 2 XBL or PSN codes. (You can even get 12 month live, 4000MSP, \$50 PSN card. Its up to you as I can get any code with my method.)

Post your entries and I shall choose the best :)

Thank you,
Xela.
