I'm just left speechless on shit like this could happen.

What the fuck is this world seriously coming to? The leader of the pack got a minimum of 12 years, they should have got more.

Little assholes ?

Reefer - April 18, 2013, 3:17 pm

Wtf? How would that even go down? "Hey, i dare you to kill that guy, it'll be funny! HAHAAAAHA"

Jack Daniels™ - April 18, 2013, 3:18 pm

I heard this on the radio when I was driving home, its is sick that people can behave like this.. It is embarrassing when people act like this in our country.

Agency - April 18, 2013, 3:19 pm

Its disgusting on how people could do such a thing :/

Her eldest son, Ryan, 23, was convicted of murder and jailed for life in October after he attacked a stranger with a bottle in a chip shop.

Another of her sons, Jordan, 21, was jailed for six months in February for contempt of court after using a mobile phone to capture images of the courtroom during the trial of his brothers and mother.

Very nice family that they have there..

ZuGgY - April 18, 2013, 3:22 pm

@Keith I know right.

That mom must be a drug dealer or hooker that doesn't even know how to raise her kids properly

Error #404 - April 18, 2013, 3:38 pm

The world isn't coming to anything, it has always been like this.

Wonder if the dad is in prison as well, though the story doesn't mention him at all.

Connor Doran, labelled the "leader of the pack" by the judge, was sentenced to a minimum of 12 years.

The judge described Linda Doran as a "pathetic character"
Evans was ordered to serve at least eight years and Brandon Doran received six years for acting as lookout during the attack

The world has always been like this, it's just the fact that there are a growing number of media outlets, and a growing desire for knowledge on current affairs. It's sad, but fuck, 500 people were killed in Syria the other day, nobody seems to even care.

HORIZON - April 24, 2013, 8:48 am

When I first seen this story I was horrified and I still am. What a sickening thing to do.

SkyGuy - April 24, 2013, 8:49 am

And hackers get like 30 years. Wow, the justice system is really fucked up.

Jake Miller - April 24, 2013, 10:00 am

Human become's more and more, fuck'd up, why would anyone kill a homeless man..

thegentlad22 - April 24, 2013, 4:37 pm

They need to get beat up to the point they cannot walk anymore. I think they should lose the

privilege of walking and chewing. That way when their parents have to feed them pre blended food down their throat. They will remember their mistakes for the rest of their life.

What the hell is up with the world? Why would someone do such a thing? I don't see how this is fun or funny? ?

J. McCarthy - April 24, 2013, 4:45 pm

One of my friends older guy friends family friend type thing
his son committed suicide (shot himself) when someone dared him and said he wouldn't..

cunning - April 24, 2013, 4:46 pm

Nine Tails Fox - April 24, 2013, 8:29 pm

Tando - April 24, 2013, 8:38 pm

What can be said? A general case of incompetence drove them to jail, this happens all the time.

Eternal. - May 1, 2013, 3:48 pm

This is what happens when you take away guns, you have unarmed homeless people getting fucked up by kids. The violence never stops.

What is this world coming to? What the fuck.

Real Life Grand Theft Auto..

Its real!

LijpeMD - May 1, 2013, 5:52 pm

The only problem in this world is not them, it is the world treating them not bad enough. I won't give them 12 years of prison, not even a day, but what I will do is cut off their fingers, hands, arms, one, by, one.

Feir - May 2, 2013, 1:48 am

Part of the problem is that people are dehumanised so that nobody cares about them, then you get some people (these criminals) who have dehumanised others (the homeless guy) to the point where they are garbage to be used for their own sick entertainment or pleasure.

freetheword - May 9, 2013, 6:24 pm

this is just a sickening story how can people be so cold hearted

LarryKingdor - May 10, 2013, 1:38 am

The laws are so fucking stupid, just because they're minors, the leader of the pack only got twelve years.

What a fucked up family and a shit mother.

Encrypto - May 10, 2013, 5:33 am

Doesn't make sence, one person kills another and gets either life or death sentence, others get 12 years, why not all get equal punishment? Example : 20 years each murder, just a number, but have something fair :3

Yokomoto - May 10, 2013, 8:27 am

I really can't believe that if you kill some one without a reason or a hopeless one on that that you get some "years" why not lifetime? The human lost his whole life and you get 10 years away from it...

Puggelicious - May 10, 2013, 8:34 am

WTF is wrong with these kids now a days (Killed A Homeless guy In A Dare) Are you for real

Hearing about this story makes me sick
