Thread: [14 Year old's killed a homeless man as a DARE.](#)

RamenField - April 23, 2013, 6:58 am

Quote: Three teenagers who murdered a homeless man in Liverpool for a dare have been given custodial sentences.

Liverpool Crown Court heard Kevin Bennett, 53, was attacked as he slept outside a supermarket on 17 August.

He suffered a fractured eye socket, a collapsed lung and a broken ribcage and died in hospital six days later.

Brothers Connor and Brandon Doran, aged 17 and 14, and Simon Evans, 14, were told they would be detained until the home secretary approved their release.

Passing sentence, Judge Clement Goldstone QC, the Recorder of Liverpool, said: "I think it is a desperately sad reflection on this society that each of you was party to serious violence purely for the sake of it."

Connor Doran, labelled the "leader of the pack" by the judge, was sentenced to a minimum of 12 years.

Linda Doran The judge described Linda Doran as a "pathetic character"

Evans was ordered to serve at least eight years and Brandon Doran received six years for acting as lookout during the attack.

The three boys, who all denied murder, were found guilty in February following a four-week trial.

Drunk python - April 23, 2013, 8:58 am

People like that just need to be locked up for longer...

LegacyGaming - April 23, 2013, 9:01 am

Puts such a bad image on the UK,

It's always in London, and Liverpool, Manchester and Blackpool,

I live in Essex and the worst thing that's happened near me in years, was when a Son and Mother decided to kill themselves, (42 and 76) with a gun, after the Father (76) Died,

Clearly there was something wrong with the pair of them

-IceyFireWall

Blackout33 - April 23, 2013, 10:30 am

This is why some traditional values still need to be taught to children

avemitchell - April 23, 2013, 10:47 am

What the hell... Well, kids are getting smarter.

Great Prosperity - April 23, 2013, 11:14 am

Thompiss - April 23, 2013, 2:16 pm

This is fucking ridiculous.. the mom should of gotten way more than 30 months for raising her kids like that.

Seriously, though, how can you MURDER someone, take away a LIFE just for a dare?
Pathetic.

Raddify - April 23, 2013, 3:26 pm

indicud - April 23, 2013, 3:29 pm

These kids deserve to be kicked to death.

DYC3 - April 23, 2013, 3:33 pm

The youth of today is very rapidly getting even more incompetent. Jesus, what goes through a 14 year olds mind to be able to go and kill a helpless and weak man and had already paid a heavy price of becoming homeless.

People like this should receive the death plenty, no questions asked.

BulletsModz - April 23, 2013, 3:35 pm

Older brother killed somebody too?

What the fuck is wrong with society and that family?
Sheesh.

POISIN4U - April 23, 2013, 3:48 pm
