? The Ultimate Collection of Fractals/Abstract Brushes ?

[?Ultimate Collection of Fonts v1.0?](#)

[?Slankey's MEGA-WEGA-SUPER-DUPER Web Icon Pack?](#)

[?Ultimate Collection of Icons v1.0?](#)

[?Ultimate Collection of Photoshop Brushes?](#)

[? Ultimate Collection of Photoshop Brushes 2 ?](#)

[?The Ultimate Collection of Grunge/Splatter Brushes?](#)

[?The Ultimate Collection of Vector/Object Brushes?](#)

ANOTHER ONE!!!!

That's right, in my efforts to help out the graphics section I keep releasing more and more Ultimate Collections. Guess what? I am not going to stop.

So please enjoy these fractals/abstracts..

Is your question answered now?

Bosta - March 31, 2010, 5:44 pm

Well I know you are not a black hat ofc, however I am wondering why it is a .exe still lol.

SFX Archives are .exe's if you run it will show a setup screen and extract all the brushes to your photoshop Brush directory, so you guys don't have to worry about hassling with it.
