Thread: [TV-Series, any good series out there?](#)

Nozemi™ - April 25, 2013, 10:36 am

Hello, I'm currently in need of some new TV-Series to watch, new series that I would enjoy tho. I enjoy watch; Action/Crime. For the most I watch Action.

TV-Series I've watched:

- 24 (Season 1-8)
- Prison Break (Season 1-4 + The movie)
- White Collar (Season 1-4) (Waiting for new season)
- Sons of Anarchy (Season 1-5) (Waiting for new season)
- Nikita (Season 1-2) (Watching 3)

Best serie I've watched is probably Prison Break. Well, now you got a brief description of what I enjoy to watch.

Series I already know about:

- Dexter
- Revolution
- Arrow
- Continuum
- Lost

And probably some more...

Thanks for any suggestions, I will appreciate it!

You should watch the walking dead. It's not really about Crime but it has loads of action!

Well, I don't actually like Zombies, I like TV Series that's more realistic.
At least if they have realistic creatures, which zombies aren't, anyway
thanks for your suggestion! ?

If you want nice big budget series that are fucking epic you will like these ones no question. These are probably the best series that are playing today. I recomend starting with game of thrones and the walking dead. You will be SO HAPPY you did. In fact I envy you because you haven't watched them already!!!

The walking dead

Game of thrones

Spartacus

ReLaX - April 25, 2013, 1:52 pm

You should check out this new series that started recently, Bates Motel. It's about the teenage years of the guy in the movie "Psycho". I also really recommend Arrow & Psych.

Sk1blu3 - April 25, 2013, 2:27 pm

Spartacus

GAME OF THRONES

THE WALKING Dead :)

Izi ! :)

McCaskey - April 25, 2013, 6:02 pm

Seriously, i know you have it up there but it's not as "watched". Arrow is the best show i've seen in awhile, i love it, i strongly recommend watching it.

After the 3rd eps. you'll love it more and more! I can't wait for a new eps. to come out every Wednesday.

the americans is the best. great acting. a must see/

Nozemi™ - April 26, 2013, 3:01 am

Thanks for all your replays guys! I appreciate it, I'll be looking into the TV-Shows soon, and I'll probably start watching either The Wire, Spartacus or Game of Thrones next.

The Walking Dead isn't really my kind of TV Show, neither are The big bang theory, or Bates Motel, that's horror/thriller/mystery which is far from my interests, I don't like horror movies/series. Anyway thanks for all of your suggestions. I appreciate them! ?

Not sure what exactly you're saying, but the closest I'm getting is that you're saying The Walking Dead is repeating the same stuff over and over. Which I totally agree with, I feel like they're dragging

it out way too much. However, I still watch it, and it's decent enough when I have nothing else to watch.

UKevin - *January 23, 2019, 10:21 am*

Legion is a must watch, very psychological serie

Miashenasty - *January 24, 2019, 1:58 am*
