Hi, I'm looking for a banner to be designed for our website, RotmgTool. You can see the page here <http://rotmgtool.com>

We would be replacing the bar at the top that currently reads ROTMGTool

It would be best for the text to be in a blueish, but dark color theme, with a transparent background, although suggestions from yourself would be accepted :)

I can be contacted quickly via. email at: rotmgtool@live.com

- Please send over a watermarked sample (NOT as attachment, please upload online first [imgur/dropbox/etc.])

or Please PM me on here :)

Thanks
