Thread: [Make me a signature and avatar - Get \\$15 Paypal ?](#)

Calif0rnication - April 27, 2013, 4:45 pm

I need a good sales signature for my e-Book.

Grab all the info from here:

I prefer a design like in the sales thread design. Animated would be great also.

I'm also looking for a new avatar, it must have something to do with California :P

Post your work here.

Paying \$15 for the hole job :)

Cheers.

How much do you pay for only the signature OR only the avatar?

I would pay \$10 for the signature and \$5 for the avatar.

But I would like to buy the hole package from someone because it's less effort.

Here's a nice little avatar.

Let me know if you like it :D

If I get tired from Krews signature, I will definitely buy this signature from you.
