Thread: [How to get the minus on my person](#)

**TheBlackHat** - April 29, 2013, 6:09 pm

How do you get the little minus over your person's name?

I am just trying to do this so people know that I will be back soon.

You do it by adding an away message.

It's in your "Edit profile" section.

**Morchid** - April 29, 2013, 6:11 pm

Go here (<https://hackforums.net/usercp.php?action=profile>)

And look at the bottom right corner, tick I'm away.
