Scroll down to the portfolio section, what do you think? And yes, I'm planning to buy a domain when I've finished building my website. ?

Thats a very well done site you have, may I ask what its coded in? :)

Cona - May 1, 2013, 5:13 am

It's done with HTML(5)/CSS(3)

Just like any other website

"The connection has timed out"
Is the error I get.

I think it is spelled "Brochures"
Not "Broshures"

You'd probably like to fix that ;)

The blurry photo is a no-go. D:
Especially with the white font.
Killed my eyes trying to read it.

Yeah I've got to change the blurred backgrounds ?
Thanks for all the positive replies, everyone.
