Vouches

(Jan 1, 2013 02:40 PM)JavaPortals™ Wrote: [\[CITE\]](#) Brilliant keylogger, incredibly simple, and fast, and easy to use!

(Dec 23, 2012 03:38 AM)H3X4G0N Wrote: [\[CITE\]](#) Great keylogger! Absolutely wonderful, I'm currently keylogging myself to test the keylogger. It's great how the logger runs as taskmgr, you'd never expect it!

Built-in file pumper is also extraordinary.

Best part I'd say is no portforwarding, just setup an FTP account and you're set!

Homi is super HQ, helped me out with everything I needed.

(Dec 26, 2012 08:08 AM)Cazma Wrote: [\[CITE\]](#) This keylogger is really fucking great! Works like a charm :D and the best thing is, no anti-virus program will detect it! Sick

(Dec 27, 2012 04:08 AM)Danish Donut Wrote: [\[CITE\]](#) This guys deserves a huge thanks, i didn't know anything about ftp he explained everything i wouldn't lie if i said he had spend more than an our helping a complete brainless noob. Im really really greatfull the keylogger works no problem. It's just perfect, and also homi. Homi is a true high quality member, i kept sending him message's like "I don't understand", "How do you do that".

Im really really greatfull huge vouche

I am extremely busy with my exams, sorry about this.

I replied to your PM here on HF and never heard from you after that:!

I don't think i am even added to your yahoo, because i never received any add request from you.

Please make sure you added my right email address

humayoon_4456@yahoo.com

I will try my best to help you, don't worry.

Regards
