Thread: [Make a HackForums Haiku!](#)

Juice WRLD - May 2, 2013, 11:21 pm

I'm bored and want to see how creative some of the members are.

Make a haiku about HF. :3

All at HackForums.net

Omni runs the show.

(I'm not very good, but I'm sure others will be)

Edit; This should be 5-7-5 syllables.

The last sentence has to have 5 syllables.

L33t and Ub3r

Rule the Forum

Refrigerator.

A Haiku poem is a traditional form of Japanese poetry. This poem usually consists of three lines.
The first and last line has 5 syllables and the middle line has 7. The poem usually does not rhyme.
