I'll help you to get accepted in File-Ice, AdWork-Media etc. I've tried my method in File-Ice, AdWork-Media etc., and got accepted in the very first try.

Proof:

I'll help you get accepted in File-Ice, AdWork-Media etc., for just \$0.75!

I'm accepting PayPal or Liberty Reserve.

If you don't have money, do one of my AdWork-Media/File-Ice survey and I'll tell you the method.

Thank you.

My method has 100% success rate. I've tried it myself and even my friends tried it.

The people who offer this for free also have a 100% success rate, I'd suggest lowering the price to probably \$0.50 or so.
