?Custom Verification E-Whore Messages?

[Like what I do? Leave a tip here! \(No minimum amount, pay what you think I deserve!\)](#)

By BTC address is also: 15Fc5ukf7wprJaQRiVLVQPhNC1p25FZFJa

Hey guys!

Do you need to prove to someone that your e-whore is real? I can provide custom e-whore voice messages for anyone who needs them.

Please don't ask me to do anything sexual which includes explicit dirty talking, moaning, etc.

Sample of my voice (updated as of 3/3/18):

<https://www.speakpipe.com/voice-recorder/msg/niomrxopjcaax43j>

I've been super busy IRL so please don't expect your request to be done ASAP.

CatDoge™ - May 4, 2013, 1:51 am

Ohh my god, your voice is brilliant :o

you can make so much money just by using a vcw and speak a little bit

doctorsnuggles1 - May 4, 2013, 1:57 am

Wow, nice, you could be the king of e-whoring

Could you share some basic stuff that most vcw's could use?

Stuff like:

"Hey, how are you"

"Hello"

"This is proving I am real"

"Send the money to keep going"

You should think of some general phrases, make it into a pack, and try selling it, I know you said you had no luck with it but try again.

Yumi - May 4, 2013, 7:30 am

Haha, thanks guys. I'll consider this. But for now, I'll offer this for free.

The Unloved - May 4, 2013, 7:45 am

Im good no thanks I would like this service it if their was a way to intergrate it into a VCW but than again that wouldnt work because you would be talking and the VCW would not be but thanks for your contribution anyway....

Obtain - May 4, 2013, 8:02 am

I would like to use this, but how would I let the pervs hear it?

The Unloved - May 4, 2013, 8:03 am

(May 4, 2013 08:02 AM)Obtain Wrote: [\[CITE\]](#) I would like to use this, but how would I let the pervs hear it?

Thats my point on why its worthless to me im not going to link them to a site to hear a voice message they would just call me

Yumi - May 4, 2013, 8:21 am

(May 4, 2013 08:02 AM)Obtain Wrote: [\[CITE\]](#) I would like to use this, but how would I let the pervs hear it?

You would send it to them. I usually use CL so I send this to them to prove I'm real, but for Skype you could always SE your way around from actually voice calling. Just say you're not comfortable talking to someone you hardly know.

There are also ways that you can play the recording(s) from your desktop, but I'm not sure how. If you can create something similar to a VCW, except for voice, it would work great.

I only provide the voice. What you do with it is completely up to you.

Savages - May 5, 2013, 7:53 pm

This cant be useful as you can't stream cam, and sound at the same time.

(May 5, 2013 07:53 PM)Glory Boyz Wrote: [\[CITE\]](#) This cant be useful as you can't stream cam, and sound at the same time.

I disagree.

I sell pictures and have gotten a couple sales just from sending a message just saying "Hey, it's -ewhorename- and I'm real blah blah blah."

As for selling cam shows, you can always SE your way out of it. I always say that for some reason, my mic doesn't work on Skype but I can record a voice message for you.

Granted that may take more work than you might want to do, but this is proven to be helpful for some e-whorers, not all.

What you have to do is get this thing called Pinger, it is for Android and IOS. What it allows you to do is get a free phone number, unlimited(free) texting, all from a throwaway number. You do have to pay for minutes when you call out, but incoming calls are free, and if you don't pick it up, it wouldn't matter either way.

So when you get that app, signup, login, and go to the settings, and change voicemail message. Then take your phone near your pc speakers(far enough away to make it sound realistic) then play the sound and record it off your phone. It would also add more realistic effects to it by going through two filters.

Offering voice messages to make your E-Whore seem 'real.' I do not have a professional microphone nor am I a professional voice actress so it'll sound just like a normal girl's laptop recording the sound.

Example of my voice:

I will NOT say anything sexual.

Please do not expect to receive it immediately. If you see me online it's most likely you will receive it within 3-5 minutes.

Hey, you couldn't PM me back if I PM'd you. So you're going to have to contribute to the forum a little bit more. You're pretty close, anyway! (:

Thanks! I'm not familiar using this via SC. I often have people pay me to log into their snapchat and make a dark video with my voice. Other than that, you could possibly create a video and add my voice in, and upload it? I'm not sure if that's possible, but it's the only thing I can really think of.

Haha sorry, I was reading other posts, didn't think you'd reply so fast. Anyways, I can't reply to your PM. But yeah, essentially you got it all right. Hihi, hehe same thing. Essentially girly laughing. ?

EDIT: I'm new at HF, well technically not. But can't PM people yet due to the 25 PM limit. Good anti-leecher feature I suppose.

Listened to your sample, your voice is a good quality for the purpose of E-Whoring. You sound like a Youtuber or something. No shitty mic which is great.

I personally think you should be selling these services.

Should I need them, I will contact you. Thanks!

Haha, thanks dude. I use a blue snowball mic.

I've considered and have tried selling this in the past, but I just like being able to help out the community.

Hey guys!

Do you need to prove to someone that your e-whore is real? I can provide custom e-whore voice messages for anyone who needs them.

Please don't ask me to do anything sexual which includes explicit dirty talking, moaning, etc.

wow that's a very sweet voice.... (remind me an old ex...)

unfortunately i have no need of that at the moment but i'll love to use this great voice...

(btw

a. how much will you say is an good/average donation?

b. why won't you do you anything dirty?/will u do for the right price?

c. if i'll pay you for a live call/... with "customers"(while of course i'll be listening and writing to you what to say...) is that something you'd be interested in?

(anonymous clearly not using your real phone/...)

i was thinking to start ewhoring sugar daddies again... its more than hard but pay off well and with such a voice.....
