Going to get this service by next week

aSmoo - June 30, 2013, 10:40 am

Are you able to send 5-7k visitors a day in a steady manner?

I mean a lot of traffic sellers "boost" the visitors, I want something steady like 4-500 visitors every hour and steady.

I don't want to receive 3k visitors in 2 hours and then nothing for the rest of the day?

If you can offer such service then I am going to buy a lot of traffic from you.
