Grey - May 7, 2013, 4:36 am

Listen how selfish you sound, man.

You have a computer and a roof over your head.

This man is living on the streets and you still want the little amount of money he is getting.

Yeah there's a lot people that are selfish like that ... To be honest if sometimes i open campaign
and even make \$50,000 i would all of them give to the homeless man!

Pesterd - May 7, 2013, 6:02 am

What incredible people, it takes a lot of courage to go out and do something for the less fortunate, I
commend all of the people in that video, its time the world starting doing some good.

glassp - May 7, 2013, 7:11 pm

Things like this needs to happen more often. This makes me gain more faith in humanity.

(All of us from HF should start a video series on where we do good deeds and stuff like that, might
inspire others to do the same)

Cyber - May 7, 2013, 7:13 pm

He was put in a youtube video, His mustache is like a caterpillar lol, Once they found out he was
homeless they started a fund for him to get new teeth because he didn't have any and they cost
around 3k. This video was them giving the money to him. It's really neat. He's awesome very
positive for being homeless.

Taber - May 7, 2013, 7:15 pm

HAHA! That's so nice and awesome. Hope that man uses the money to do some good stuff. He
seems honest.

Lucid. - May 7, 2013, 7:17 pm

It warms my heart to see this, thanks OP.

oneshotk - May 10, 2013, 5:03 am

This man's voice is great :-) Luv this vid!

Laceup - May 10, 2013, 5:07 am

i mean i try to help put homeless people as much as i can give them a few bucks here and there buy them some food but damn 3 grand?

+Fox - May 10, 2013, 6:09 am

This is the kind of people I like to see in society. In the future if I ever had money to spare I would donate it to the homeless just to get them cleaned up and back on their feet! Amazing person.

#PASHA - May 10, 2013, 8:36 am

thats very good thing what the guys do!

I think most of the poor people are nice!

TheDanishMaster - May 10, 2013, 8:42 am

Awh, if i knew i woudve of donated more £200 or something... Talents comes with its pride. (Aint a talent really but meh)

They did a good deed on giving him the money insted of keeping it to themselves.

edwardj7337 - May 10, 2013, 8:09 pm

I thought it was going to be some shit where they do it for attention, but it wasn't and it was pretty cool that they did that for him... though, they shouldn't have advertised themselves. -_-

jay3017 - May 10, 2013, 8:57 pm

That was nice. Just like someone else here said, I hope that money doesn't go towards anything negative.

Understalker - May 10, 2013, 9:02 pm

That was really nice of them, it really made put a big smile to his face lol.

The difference is, you have had a roof over your head all your life. I was on the streets for 6 months, and believe me, this guy deserves it more than you.

You must have lead such a sheltered life to make a comment like that. You don't know you're born.

This video shows the kindness of strangers, which is always so nice to see. Thank you, OP. Really.

iFap - May 10, 2013, 9:22 pm

I was homeless at a point in life until I met a guy in high school who allowed me to live with his family I know how it is coming from a bad background.

I believe this guy will start again just like I had too.

Pixel Fist - May 10, 2013, 10:45 pm

What kind of fucking homeless man is this? He looks all clean n shit like some fucking farmer.. should see the homeless mans in my city... sleeping in the subway station's benches and playing music desperatly to get a few coins... those need the real help.

James® - May 11, 2013, 12:40 am

I just love this video. If I really had alot of money, i'd too give some homeless people money. But only a selected few due to some of them would just buy drugs and fuck their lives over. But this video is just so touching.

630 - May 11, 2013, 1:52 am

Damn, I hope he puts the money to good use. Seems like a genuine guy and it was a good feel good video.

The Seeker Of Truth - June 20, 2013, 5:02 am

you could do this a lot bok1ca you're loaded!

Cyrus - July 14, 2013, 8:17 am

Thanks for sharing this with us OP.

This is absolutely amazing, touching if I'm honest.

Freerunning - July 14, 2013, 8:39 am

+1 mate

awesome thing they did, that can really turn his life in another way.

Darkwin - July 14, 2013, 11:11 am

I never quite believed that video was true, First off the didn't seem surprised at all by the cash i mean think about it he's homeless and has been living on the streets someone giving you 3K if you were homeless is like OMFG i'm finally have a enough for an place to live, a new life. Instead the guy slipped up and was like "wow you guys thanks im going to put this in my bank...i mean find a bank." right-there he slipped up, its obvious this was just an actor. He just wasn't convincing and didn't seem as greatful as any other person living on the streets would be, If i know the showbiz on YT all i can say is that it probably was an actor or they paid someone \$50 + shirts to come out in the video.

SadColors - July 14, 2013, 11:26 am

Looks pretty legit to me, the guy didn't know how to react to the situation is what it seemed like, he was trying not to seem disrespectful but at the same time was really happy and hyped about getting 3000 dollars as well as a shirt and a hat.

Divert - July 14, 2013, 1:12 pm

Hopefully he'll get back up on his feet now!

snakman - July 14, 2013, 3:10 pm

Wow that is really nice. I hope he was finally able to get back on his feet

septura™ - July 14, 2013, 4:31 pm

It's awesome these guys gave the poor man 3k. But its also propaganda for them youknow..

Quantity - July 14, 2013, 4:34 pm

Thats pretty cool, i'm sure he never expected that.

Muhammad Ali - July 14, 2013, 4:44 pm

This is very sweet but pretty stupid imho.

This isn't enough to buy him lifetime house, even not the cheapest. Enough food, medicines, clothes, elektrikcity, water.

they could better invest the money in clothes, foods, water or offering them a clinique where homeless people can go for a specific amount of money each month (which they will pay with the \$3000.

Seems fair.

BisualZ - July 14, 2013, 4:46 pm

Good job guys. If that is real you made a very nice move.

Dio Brando - July 15, 2013, 6:51 am

Wow the guy is awesome he deserved it hope he gets a good life :)!

Raz3d - July 15, 2013, 6:52 am
