Thread: [What kind of accounts are you guys interested in?](#)

aSmoo - May 7, 2013, 6:14 pm

Well,

Basically I am going to open a nice huge shop for accounts.

I would like to know what HF is looking for.

All your requests will probably pop in my shop as long as it's not against the rules.

Please let me know guys :)

No one wants Xbox accounts, only OG names and accounts with amazing stats/gamerscore.
