Thread: [Scammed 30\\$ by Ron Jeremy uid=1782772](#)

Jack the stripper - May 8, 2013, 4:24 pm

Sadly i have to open my first scam report on HF.

Iv'e been dealing for a while on HF and until now fortunately all the deals went well, until today.

All the money that i earn in my life comes from hard honest work, so it pisses me off when some kid, that probably don't know what life is, just makes a deal deliberately to scam, in my land we call it stolen, and we treat those kind of people with sticks in the head.

Scammer profile:

Iv'e open this thread to make some currency exchange:

The deal was simple, 30\$ in LR for the best offer in PP.

Got the best offer from our friend:

Made the transfer as agreed:

After this sent one more PM saying that i was waiting. Later he got me on his ignore list.

So, the thing is, just try to be honest with each other, even in a site like HF we can have honour between us.

Don't do to others what you don't like others to do at you!!!

groovers even without enough proof i think everybody already knows what kind of person we are dealing with, unfortunately there's nothing much we can do, we just need to be more smart and

cautious next time...cheers.

LOL 'Ron Jeremy' the proven scammer has revenged rep'd any one (including myself) that gives him bad rep for scamming.

I cancelled out the bad rep he gave the other members.?
