Before I start I want to say these came from a school. Where students damage stuff. If you don't believe me look at the pictures.

Well I got 4 gateway towers in working order. (Had to fix one, it was a bios memory overclock.)

My Shaky, Stuck Pixels, Ugly handwriting pictures:

my question to you is, what are you going to do once you cant fit any more junk into your house ?

Tech - May 9, 2013, 6:28 pm

What version of toaster do you have, I need something to take photos with.

elemein - May 9, 2013, 6:32 pm

Why is your penmanship so horribad? It's something I've always wondered...

Programmargorp - May 9, 2013, 9:20 pm

I heard Prof suffers from dyslexia (I think). Either way, what are you going to do with your 3 jillion cunts of junk once you run out of space to store it?

I feel like Professor has a hoarding problem, not even joking. I am worried doc.

Znomon - May 9, 2013, 9:55 pm

I think the professor does have a hoarding problem. I think we've all seen the photos of his house AND his dad's =P but keep on keepin on! Wish i had that much hardware

I sell them. I don't hang on to them. I sold 10 last month, and gain 4 this month.
Its my meds.
