Online and taking orders, do not hesitate contacting me if your interested in one of our RDPs.

lolsonlols - May 11, 2013, 6:43 pm

What is the statistical average upload/download speed of these servers?

antidenim - May 11, 2013, 6:44 pm

Do you have any RDP in the UK?

If yes please pm me so that I may purchase from you folks :)

commandzombie - May 12, 2013, 4:04 am

Hmm seems good!

How long do they last? Any idea?

Bought a RDP 2 days ago from a user and it got suspended the day after lol..

Also do you tell the specs of the server before we buy? (All the ports is open etc?)

Might need one with Windows Server 2008 32 bit.

To host a game server.

I might buy if I get money soon :)

Trapcode - May 12, 2013, 4:16 am

Are they hacked sir, And what will be the difference between admin and guest, As a guest , Can I install my softwares ?

Contact Charlie about it, i am not sure if i am a part of the project.

Proof: <https://gyazo.com/60d4b2000d9a285771592fbca29b7785>

(As people can see ; he denied i am his partner, i have to talk with him about it so i know if its just a missunderstanding)

#REAL? - May 16, 2013, 4:26 am

He has ignored me. Sorry but it sucks hard. ?

Zagreus - May 16, 2013, 4:37 pm

Are RDPs still in stock?

I need around 10 US RDPs.

Regards

Lil Herb - *May 16, 2013, 4:41 pm*

I've been extremely busy, dealing with personal issues.

Sorry if I do not respond.

Lil Herb - *May 18, 2013, 10:02 am*

I will no longer do this, due to personal reasons.

I cant handle the stress.
