Thread: [Cheapest views/traffic on HF \[Adsense safe-get your CTR down FAST!\]](#)

Zeon - May 12, 2013, 12:49 pm

Prices are negotiable starting from 10k+

TOS:

-No drivebys/exploit packs/site that would get the visitors infected

Failing to abide by the TOS will result in me keeping your money without delivering the views.

Killum - May 12, 2013, 12:52 pm

Jaykk - May 12, 2013, 12:53 pm

Do you have data for the demographic of what type of traffic? like age between, % male/female, and income bracket?

I'm planning to drive this to CPA offers, is it possible?

Yes, not a problem at all. Any website that isn't malware.
