Thread: [\[All Members\] 2 Spotify Premium Accounts With Lifetime Warrenties \[Concluded\]](#)

Zovers - May 14, 2013, 9:21 pm

Congratulations to our winners, Hades and Black-boy! Enjoy your new Spotify Premium accounts!

What Is This?

This is my second contest and it is to win a Spotify Premium account with a lifetime warranty. This means that if you are the winner of an account and at any point that account is closed, has a password or email change, or anything else that prevents the winner from gaining access to the account I will replace it with another working account for free!

Cool, What Are The Requirements?

The only requirements to enter are that...

1. Regular members must have at least 50 or more post and be a High Quality (HQ) Member.
2. All members must have a positive (green) reputation.

Alright, Now How Do I Enter?

To enter, all one has to do is post in this thread and pick ONE number between one and twenty (1-20), once all numbers have been claimed the contest will start and two winners will be chosen by random.org.

Please note that the numbers are on a first-come first-serve basis; I will try to keep the thread updated as much as possible but please read through all posts before requesting a number. No random numbers will be assigned to any participant, it is the responsibility of the entering party to ensure that the number they want hasn't already been taken!

All numbers have been chosen and the drawing will start soon! A few people did not get their requested number because the number they had chosen had already been picked or because they didn't ask for a specific number. Please read the rules prior to participating in my contests! Regardless, if you were not entered into this contest keep your eye out for my next one, it will be coming around very soon!

Good luck to all contenders!
