Really great E-book

(May 15, 2013 11:50 AM)arunlatvia Wrote: [\[CITE\]](#) My Review: To start off with, I would like to say thank you for selling this Ebook xXomairXx, you did a great job on the e-book.

Method : Personally I myself have never seen this method before. I have heard of the website but not these methods. Omair goes through a few different way in the eBook on how you can make money with this method. So if you follow this eBook then you should be able to easily make your money back.

Grammar : There were a few grammatical errors but nothing bad. I understood everything in the eBook with ease

Formatting and Layout : The eBook was very well structured and not all over the place. There were no problems at all with the layout.

Initial Setup : You will not start seeing any profit until 48 hours has passed. but after that you will be making a nice amount. So it does take a fair amount of time for the initial setup. The good thing though is should only have to setup once if you follow his eBook.

Originality and Uniqueness : As I said earlier I have never seen these methods before. I have seen the website however. I do believe though that his method is 100% original and his own in every sense.

Profitability : The pictures speak for itself. Omair is making great money with this eBook alone. So the profitability on the eBook is very high.

Overall : The eBook taught me some new things about a website I heard little of. omair went in to good detail with every part of his guide, and you could tell he cared about the people who bought it. Once again thank you very much for selling this awesome eBook for a Cheap Price

(May 15, 2013 08:31 PM)Infinity ? Wrote: [\[CITE\]](#) Vouch for the OP, Ebook has some good methods, But A Investment is needed,

Overall I'd give 7/10.

Good luck with sales OP.

thanks bro ?

next two buyers gets the ebook at 50% off
buy it as soon as possible ?

magaki13 - May 16, 2013, 12:57 am

Hello.

xXomairXx was kind enough to give me a vouch copy. It's 100% whitehat, it requires a starting investment and 24-48 hours to set everything up.

However, it really looks that it could work and I'll try it out as soon as I get the required amount of money to start this off.

After setting it up, it's autopilot and your earning can be x3 or x4 imes higher than the investment.

Grammar is good enough. However there are images included which are LQ and I would strongly recommend to the OP to replace them.

Vouch for him.

thanks for the feedback...!

when i converted the file to pdf all images quality were lowered..!

i tried few times but no success, still thanks for your feedback

\$13 is required for investment

u will make ur money back in a night ?
if u r interested u can buy it for \$5 since there is an offer going on right now

aceyx3 - May 17, 2013, 5:23 am

I would wait till someone posts payment proof.

Review

Quailty : 4/5 Very clear and easy to read with lots of links and pictures to support you.

Originality : 4.5/5 Never seen this method before really looks like it can work well but not 100% on the hourly rate as it can depend on certain things.

Overall : 4/5 Nice ebook unquie method the earning are not 100% but it looks like you could make a lot of money from this. It also does require a small investment at the start of the ebook.
