From the amount of content that was put into this e-book, we can verbalize that the quality of this guide was not too shabby. The author included many details within each subtopic and elaborated well upon utilizing E-whoring implements.

This e-book is extremely easy to follow. The author contemplates each procedure in a way that would allow the reader to quickly go through the process instead of having a long drastic guide that is uncomfortable to follow. It shouldn't be an issue for anyone who does not have any experience with E-whoring.

The layout is extremely poor. The author could have adjusted some flow of color/font utilization in order to give a good blend with the plain white and black background he provided.

There were multiple grammatical errors and missing punctuation's, although, it shouldn't be an issue for anyone to read.

After multiple Google searches and research throughout the net, I have yet to see any content public, therefore, this e-book is indeed original.

The way this author puts this e-book together, he/she makes it feel so easy. I've never seen E-whoring be that easy. :)

Good luck with sales!

The quality of this eBook was good. The author went into detail on almost every topic.

The methods in this eBook are not hard to follow if you already have experience with eWhoring.

The layout of the eBook was not very good. Quite a lot of the information is clumped together and hard to read.

There are a few grammatical and spelling errors, but none that effect readability.

While eWhoring itself is not original, the content of the eBook is original.

None.

Good luck with sales!

Thank you guy's for the reviews! I'll be adding a thread design quite soon!

Beilinder - June 8, 2013, 11:00 am

Sounds very interesting. Its been a while since I eWhored.

50 bucks seems like too much for me. I will somehow get that money and buy the ebook :)

Good luck with sales man. Looks really interesting!

Target™ - June 8, 2013, 12:32 pm

Thanks for the love so far guys. I'm getting a thread design made ASAP!

Xhat - June 8, 2013, 3:18 pm

Hey,

This include ONLY instagrams and none others things like facebook, youtube, set up a website, craigslist, webcam site ?

Also, have you any earning proofs ? I'm interested to put a lot of works but the prices is high and result seems too good to be true, or maybe \$1000 a week is provided after a few weeks of works ?

Thanks.

Thanks.It's not using Instagrams,my username is Instagram so i put it there.

I can go add proof to thread asap,gimmie a little bit.
It's really up to how much time you put into it.

#Reliant - June 11, 2013, 12:10 pm

Looks nice but \$50 is way out of my range :(

Target™ - June 11, 2013, 6:14 pm

I'll be considered changing the price possibly as soon as i get a thread design which is hopefully soon.

webbie146 - June 15, 2013, 7:31 am

Would like to get it but the price is to high atm I feel..

Target™ - June 18, 2013, 7:27 pm

I've reduced the price and updated the thread with a thread design and our siggy! <3

Target™ - June 19, 2013, 7:46 pm
