Frequently Asked Questions

How much money can I expect per day?

I don't have a precise answer but I'd say anywhere from \$10 to \$50

If the method doesn't work you will give money back?

I can't guarantee anything. I've dealt with people who were earning money but told me they weren't and trashed my thread just so people didn't buy the method and make money themselves.

At the beginning I was giving a refund warranty but then when I got enough proof it was working (proof from other members), I removed it.

Is there any hard work involved?

Nope, all you need to do first setups and you will be ready to go !

I am getting Payed via PayPal right?

Yes payments via Paypal Only.

I have received a vouch copy, the method is very detailed and contains relevant screenshots to make it as clear and easy to follow as possible. The method is fairly common and I have seen it around a fair bit, although it DOES work if you follow it correctly. If you put your own twist on it you can make a lot more than it says. I would give this ebook a 7/10 rating.
