Thread: [Food and Drinks forum/sub-forum.](#)

F-Nuke - May 17, 2013, 4:48 am

A lot of threads are being made in the Lounge about food. I thought it would be good to have a 'Food and Drink' forum/sub-forum. All things about food and drinks will be posted there. What do you guys say?

Thank you for reading.

There are too many kids on this forum who don't know how to cook and would simply be posting pictures of Domino's Pizza leading to LQ posts.
