Autodesk's website is like MSDN apart from you get serials for AutoDesk's programs sch as AutoCAD the serials and downloads sell for good prices on sites like craigslist and ebay.

Wazakindjes - April 3, 2010, 2:06 pm

Thank you Talish. :3

I'm just saying that it's not fair for non-Leet/Uber users since you are not one yourself.

Well I guess I'll pass on the invite, since I don't know what to do with it, thanks anyways.

WetRain - April 3, 2010, 7:08 pm

Could I get one please?

Thanks in advance :)
