Thread: [~~\[HOT\]HC Stealer - Better than iStealer {Download} \[HOT\]~~](#)

Skymode - May 27, 2013, 11:12 pm

This is Original Download from HC when The7thSage release it on HackCommunity.
Many of you know rates of HC Stealer is high more than IStealer ,

thaaanx maan

blalalala

"too shooooort"

shadowpanda1234 - May 28, 2013, 1:59 am

swhat does this program do, just curious?

zerocool - May 28, 2013, 2:04 am

This has been posted many of times, also its well outdated its a waste of time! ?

DeZZ - May 28, 2013, 2:12 am

Is there a tutorial or something for how to use it?

harrisba - May 28, 2013, 2:39 am

password "<http://www.hackcommunity.com>" doesnt work

.?cb. - May 28, 2013, 2:42 am

just search isr stealer, is much better that this one, and no dependences

harrisba - May 28, 2013, 2:52 am

lol just noticed that his avatar contains some sort of virus

Skymode - May 28, 2013, 2:55 am

use www.hackcommunity.com [WITHOUT HTTP] and without these "" and try em up hope i solved you'r problem!!

(May 28, 2013 02:52 AM)harrisba Wrote: [\[CITE\]](#) lol just noticed that his avatar contains some sort of virus

o.O can you please show it to me ?

Thehjullis - May 28, 2013, 6:54 am

Looks nice, could use a stealer atm since can't port forward :) Thanks for sharing

Can I have the password for download please man !

?

sydneypaw - May 28, 2013, 10:21 pm

Ooh.

Looks really cool.

Good job, better than the other ones I've seen.
