Hello there everyone, I've decided to make everyone there own customized 3D text for those who either don't have or don't know how to use Cinema 4D & Photoshop.

This is what yours will look like:

[IMG]<http://imageshack.us/a/img153/4240/c4dtext.png>[/IMG]

This one is the signature size (650x200), but it can be any size up to 1920x1080.

Please reply to this thread using this order form:

Vouch for this guy right here.

Does great graphic work!

Don't hesitate to buy from him!
