Download

Code <http://www.mediafire.com/?nn5jzdz2im2>

Very Simple Program O.o The Source Is Just

Code Label1.Text = TextBox1.Text

Im bored if you wanna request something so can i do for u ..

I can't code :

- RAT's (cause i don't have patience)

- Crypters

Mr Kewl - April 5, 2010, 10:27 am

I will try this And Download IT TFS

Euras - April 5, 2010, 10:44 am

As a graffiti artist... I have to say that graffiti font is awful.. but i like the barcode. thanks for sharing

Fallenour - April 5, 2010, 10:53 am

Finally, something that actually is useful, I was beginning to think all of the forum posts went retarded o.o

trubufo - April 5, 2010, 1:38 pm

Thank You Guys ...

@ TheMajor .. PMed You ... We need to talk =)

Cunt - April 5, 2010, 1:58 pm

lol this is kinda funny just gonna dl for da laughs ;) GOOD JOB :D
