1. Choose ONE game you want
2. Choose a number that hasn't already been picked - different games have different amount of enteries.
3. Give me a short reason why you should win such as what you've done for the HackForums or even a personal story. I will pick from random, but if someone has a good reason, I will choose the reason over the random number.
4. I will PM the winner of each game.

I WILL TRY AND UPDATE ALL NUMBERS ARE REGULARLY AS POSSIBLE, BUT I CAN'T INSTANTLY DO IT. PLEASE CHECK YOURSELF IF YOUR NUMBER HAS BEEN USED. I WILL DO THE DRAW SOMETIME TODAY, I CAN'T GUARANTEE THAT I WILL BE ONLINE FOR THE WHOLE THING UPDATING NUMBERS. CAPS LOCK SEEMS LIKE I'M SHOUTING.

"Good luck and may the odds be ever in your favour."
