Thread: [Coke Rewards Contest](#)

Froggy - June 19, 2013, 3:17 pm

My Coke Rewards is a customer loyalty marketing program for Coca-Cola soft drinks. Customers enter codes found on specially marked packages of Coca-Cola products on a website. Codes can also be entered "on the go" by texting them from a cell phone. These codes are converted into virtual "points" which can in turn be redeemed by members for various prizes or sweepstakes entries.

In this contest I am giving away 50 reward points to 4 different members (a total of 200 reward points, each code worth 25 points). These codes are obtained through my personal coca-cola product purchases, so they are 100% legitimate. You can spend these points to gain rewards, enter sweepstakes, support a good cause, donate to your school, or enter Instant Win contests.

You can go to the [My Coke Rewards catalog](#) to see just what prizes you can redeem with these points! I myself have spent points on a wireless mouse and a few other items.

To enter to win these points, pick a number from the following. I will be using [random.org](#) to choose 4 winners.

1. [Sommen](#)
2. [Beginna](#)
3. [Gummy Bear](#)
4. [tyguy](#)
5. [Weekend ?](#)
6. [Mister Jorafa](#)
7. [-Lakai-](#)
8. [icebarg](#)
9. [Anonymuws](#)
10. [globemasters](#)
11. [mattrobo25](#)
12. [TryAgain](#)
13. [SixtyNein](#)
14. [Graaaahaaam](#)

16. [Understalker](#)
17. [BlaznWildabeest](#)
18. [Mossa344](#)
19. [Yani](#)
20. [Lord Death](#)

I will be doing these often, so you can save up points to get some VERY nice prizes!

P.S. Saged is a bully.
