The story sets in the Warring States Period of ancient China (475-221 BC). Shin and Hyou are war-orphans in the kingdom of Qin. They dream of one day proving themselves on the battlefield. One day, however, Hyou is taken to the palace by a minister. Winding up on the losing side of a power-struggle, Hyou manages to return to the village, barely alive. Shin then meets a boy who closely resembles Hyou, Ei Sei. For now he is the king of Qin; later he will become the emperor Shi Huangdi.

It's being aired in 3 days! I really cannot wait. I loved kingdom ^^

Edit: Subbed 15/06

Definitely gonna watch it. But i need to finish first season before that

zomgasd - June 5, 2013, 8:13 am

One of the most underrated anime's man! As the show developed it got better and better, I really didn't mind the 3D thing that they did, hopefully in this season that they just improve the quality, overall I give it a 8.5/10.

Alexchaos - June 5, 2013, 8:20 am

Oh, so I'm not the only one who watched this. ?

This anime is really good, I hope season 2 will be as good as season 1 was!

Ignore - June 5, 2013, 8:26 am

I loved the anime, the graphics they used like the 3d are awesome :)

I thought it was pretty funny, because at times it'd be 2D, and then it would become 3D. It didn't really bother me, but I thought since there's a lot of people working on it with them they should just improve the quality like Attack on Titan, Devil Survivor, Deadman Wonderland, Hellsing Ultimate, Eden of East, or Oda Nobuna. Man that would really make the anime rise ?. That's just me though. ?

I use <http://anilinkz.com/>

I liked that episode, we got to see Li Mu and Lü Buweï a lot more as we didn't know much about these two yet.

Now I wonder what Shin is going to do about that alliance with Zhao. :)

It also shows that Lü is also quite a strategist. He knew how to handle Li Mu. Smart guy :D

zomgasd - June 18, 2013, 5:10 pm

Dude.., I loved this episode, damn! Shit was getting real in that meeting man.

Alexchaos - June 23, 2013, 2:52 pm

Spoiler [\(Click to View\)](#) After watching I just want a time skip of 5 years to happen! I want to see Shin as a big general! :D

Spoiler [\(Click to View\)](#) Do you think it's possible that Kaine is the girl that Qiang Lei is searching for, the one that killed her sister :o?!, Kaine looked at her like ?

Spoiler [\(Click to View\)](#) That girl is probably still in the "cult" since she was victorious in the free for all battle and became the leader if I remember correctly.

Kaine probably did that face because she realized Qiang Lei is a girl, that's what I think.

zomgasd - July 1, 2013, 1:48 pm

Very..intense episode. Holy shit. Man Xin's gotta fuck up that guy!

Alexchaos - July 15, 2013, 12:59 pm

I really like where they are heading with the second season so far.

Also, it's great to see more of the psychological part of war and intern conflict.

Plus we get to know more about Zheng, thinking about it now we didn't know much about him.

Ignore - July 15, 2013, 11:40 pm

Indeed :D It's going to be an epic season :D

zomgasd - August 5, 2013, 9:25 am
