gnarly. - June 6, 2013, 5:46 am

they look really really nice dude! i like all the simplicity about it and yeah. keep it up

Stratton Oakmont - June 6, 2013, 6:27 am

i really like them. the colours are really nice and the designs are clean

The mixmaster gift text is really out of place, other then that it's really good. :)

Phaxol - June 6, 2013, 11:35 am

I like all of them. My favorite one is probably 2+3 :)

Your text really needs to be worked on. I would recommend leaving it out until you perfect it.

Honestly, I'm curious as to what the renders to some of these looked like, since it doesn't look like you've done much to them.
