? PayPal Money Contest Over ?

Hello HackForums!

The contest has ended! And i am now going to announce the winners and show proof of the results! Also, if you do not respond to my PM telling you that you are one of the winners, within 2 days, i will pick another random winner.

First Winner:

Man vs. Wild

Proof:

<https://gyazo.com/75de97beaab96eb3cb0f019d5718a5a7>
<https://gyazo.com/4c84f30eca53394fdc0dccfda17d1d68>

Congratulations, i have PM'd you!

Second Winner:

kimyeonrun

Proof:

<https://gyazo.com/665fd22d198b1292fed8b96d737f1c79>
<https://gyazo.com/dbf5cc7601937e8856a2079ad2ed0d49>

Congratulations, i have PM'd you!

Thanks for hosting this giveaway. Usually I just never see anything again about the giveaways I enter.

No problem!

And remember there is still a possibility that you win!

Because only one of the members have claimed there prize, if the other member doesn't claim there prize within 2 days, then i will pick another!

Everyone.

The contest is officially over now!
Both winners have claimed there prize!
