Hello PolishStud23,

If it's Legit could you PM me the link please or upload it publicly so we could upload a virus scan for other users, People are going to be very caution downloading from a member with less than 18 posts at the time of making this thread and with no rep at all.

Im gone brah - June 10, 2013, 9:02 am

hmm where are the virus scan, I WONT download this sience the user is untrusted.

Examplesze - June 10, 2013, 9:12 am

Hmm seems legit , I'll wait for someone to post if its legit or not.

Awesome! This makes it seem much more legitimate. I'll DL and come cry about the RATs I've gotten tomorrow.?

Tokyo - June 26, 2013, 8:15 pm

May someone run this in a virtual machine or sandboxie to see if this is 100% legit?
I don't trust this
