Thanks for the report.

Staff should take care of him

Subby101 - June 16, 2013, 4:17 am

Thank your for alerting the community I Have made a warning on his reputation however I for-one believe that you should contact a staff member to overlook the legitimacy of this thread and to exile/ban this member off the forum

Rage™ - June 16, 2013, 5:22 am

Thanks for the alert. If you PM'd a staff member they will take care of him.

D3xus - June 16, 2013, 5:54 am
