Thread: [crypting service FUD first 5 msg get fud free](#)

INJ3CTOR3 - June 18, 2013, 12:54 pm

hello guy am offering to cryptur trojan for free fud
on some conditions no virustotal and other shitty website so that we all enjoy the fud
the people who come after have send or share or help me spreading my stuff
this is the link of my stub date of today [click here to see](#)

and this is the results of the scan PHP Code

<?php

| Progress | File | Size | Detects |
|----------|---------------------|--------|---------|
| 24 of 24 | stub_2013-06-18.Bin | 69,752 | 0/24 |

to crypt msg me

David Tennant - June 18, 2013, 2:20 pm

Sounds kind of sketchy. I think he's binding

MiRP_Anon - June 18, 2013, 2:20 pm

Nobody will trust you with 0 rep and 14 posts mate. Also the OP is unreadable and needs to be improved.

to crypt msg me very sketchy virus scan, please post a more official one :)

Paradoxmoney - June 18, 2013, 3:41 pm

hey can i have crypt mate , hope i am the last lucky person , thanks in advance

INJ3CTOR3 - June 21, 2013, 11:14 am

i said only who msg me and i was offereing a service anyway i was gonna make some people come on team but after this comments i rather save my fud until it become unfud and no one use it
ps i got it for free

Im gone brah - June 21, 2013, 11:22 am

Be aware with this user, his new.

-Inclination

SuperJuan - June 21, 2013, 12:27 pm

I wouldn't try it... too suspicious...

INJ3CTOR3 - June 21, 2013, 2:36 pm

i wouldnt blame anyone tace care guys
