Thread: [\[\\$0.50\]Facebook Viral Script. Only 2 Dollars! Perfect For PPD/CPA](#)

The Seeker Of Truth - June 18, 2013, 3:16 pm

Hey there! I'm a very experienced PPD earner, and I have recently been getting viral downloads because of dumbasses sharing my PPD sites on their facebook pages.

Does not work with blogger.

It is a very cheap method, at only 0.5 USD.

[VOUCHES CAN BE FOUND ON PREVIOUS THREAD HERE](#)

This method DOES require a brain and to be able to press CTRL+F

Vouches below and here :

Quote:"The guide is short and informative. For only 50 cents you can't go wrong. The eBook included w/ the script and explains how to implement it. This is great for people with PPD/CPA and like I said before, its only 0.5 dollars, you can't really go wrong!"
