Thread: [FREE 3000+ Twitter followers for everybody \[5k-10k followers coming soon\]\[BACK!\]](#)

Layfon - June 19, 2013, 12:49 pm

[img]http://img822.imageshack.us/img822/8281/d1td.png[/img]

This method takes about 5 minutes to complete, and gets you a minimum of 3000 followers, but some people get 300+ extra some times.

Method removed. Still works, just need to PM me to get this.

If you lose the followers, message the seller you will get them all back and some extra.

If you liked this, please say thanks by posting on this thread to keep it up top for everyone. Thanks again everyone, I <3 you all.

Update: Moved from Advanced Methods section because no one posted and people 1 starred :(

Update 2: Please PM me for this method, still available for everybody.

Update 3: Yes, everyone lost their followers, but they should all be returned today. Coming soon, 5k-10k followers if assholes stop 1-starring thread ^^

Update 4: (Jul 3, 2013 11:43 AM)Layfon Wrote: [\[CITE\]](#) Sent it out to everyone.

Using a free VPN I just REDID this method (different sellers), this time same thing but 5k followers, trying again this time since I was supposed to do 15k+.

Awesome.I can now confirm that this is repeatable (under right circumstances). Gotten 50k+ followers with this method so far.

Spoiler ([Click to View](#))

I can vouch for this personally, since my followers jumped from 7,200, to 10,290 instantly.

What do you mean by no followers? Do people lose followers when doing this method and reach 0 followers sometimes ? 0_0

Layfon - July 7, 2013, 8:54 am

No you won't lose them. People lost the followers they gained once but got them all back again.

Ellie Goulding - July 7, 2013, 11:11 am

(Jul 7, 2013 08:54 AM)Layfon Wrote: [\[CITE\]](#) No you won't lose them. People lost the followers they gained once but got them all back again. Oh so like since I have 299 followers, I will lose all the 299 followers I had when I do this method? And then the 299 followers will randomly come back when I get 3000 followers ? 0_0

OMG... No o.0 That was a one-time accident. You won't lose anything -.- And if you lose the 3k followers, you lose the 3k followers, nothing else.

Message the seller, he will read them ^^

Update to this, i did in fact get 3k followers, and now all 3k of them have unfollowed.

The person who does the 3k service specifies they arent real followers on the website so im not quite sure why they would unfollow

This method takes about 5 minutes to complete, and gets you a minimum of 3000 followers, but some people get 300+ extra some times.

Method removed. Still works, just need to PM me to get this.

If you lose the followers, message the seller you will get them all back and some extra.

If you liked this, please say thanks by posting on this thread to keep it up top for everyone. Thanks again everyone, I <3 you all.

Update: Moved from Advanced Methods section because no one posted and people 1 starred :(

Update 2: Please PM me for this method, still available for everybody.

Update 3: Yes, everyone lost their followers, but they should all be returned today. Coming soon, 5k-10k followers if assholes stop 1-starring thread ^^

Update 4: I can now confirm that this is repeatable (under right circumstances). Gotten 50k+ followers with this method so far.

Spoiler ([Click to View](#))

I can vouch for this personally, since my followers jumped from 7,200, to 10,290 instantly.

This method takes about 5 minutes to complete, and gets you a minimum of 3000 followers, but some people get 300+ extra some times.

Method removed. Still works, just need to PM me to get this.

If you lose the followers, message the seller you will get them all back and some extra.

If you liked this, please say thanks by posting on this thread to keep it up top for everyone. Thanks again everyone, I <3 you all.

Update: Moved from Advanced Methods section because no one posted and people 1 starred :(

Update 2: Please PM me for this method, still available for everybody.

Update 3: Yes, everyone lost their followers, but they should all be returned today. Coming soon, 5k-10k followers if assholes stop 1-starring thread ^^

Update 4: I can now confirm that this is repeatable (under right circumstances). Gotten 50k+ followers with this method so far.

Spoiler [\(Click to View\)](#)

I can vouch for this personally, since my followers jumped from 7,200, to 10,290 instantly.

I'm looking for the best pricing on 100k-500k followers on twitter and IG.

PM me or skype me with your prices,

I'm paying \$60 per 200k right now so don't bother if you can't offer competitive pricing.

I'm looking for long term business and have several account that need up to 1m or more on Instagram and Twitter.
