Thread: [\[Free\] Free Hosting & VPS \[Easiest Method\] \[Free\]](#)

ProtectNull™ - June 20, 2013, 1:56 am

Hello HF,

All you have to do is sign up and follow the instructions to get a free VPS & Hosting.

CLICK > [Free VPS](#) < CLICK

Your Welcome,

~Matthewbmx

saskemailbox - June 20, 2013, 2:11 am

Another 3Jelly crap. Loads of 'em on HF.

No Problem!, always here to help

Vedo_ - June 28, 2013, 4:30 am

That website is a scam the main reason behind that website is an email miner to gather email lists
it's not safe only used to build huge mail lists of dozens of emails for advertising

The way you said it makes me think you did know. Its not a good idea to fuck people over on here.
or to even try.

geocath - *November 3, 2013, 2:47 am*

Waiting too long but not reply no vps sir
