Thread: [AA Discussion Mega-Thread!](#)

King~ - June 23, 2013, 9:50 am

Please use this thread before you create a discussion thread. If it already exists, then don't make your own.

My unofficial rules for AA (That I hope you will all follow c:)

Spoiler ([Click to View](#))

Code 1. No making discussion threads for individual episodes/chapters

2. You must include the word "Discussion" in all discussion threads you make (you can also include "Official")

3. When making a discussion thread, include a picture and give information about the show (Genres, studios, episodes, etc)

More later?

Notes:

I'm compiling a list of discussion threads in order to cut down on the repeat threads. I would much rather have someone gravedig an older thread.

(Note: These all use the names given from [MAL](#), regardless of what the discussion thread called it)

I will try to add every discussion thread as they are made, so if anyone makes / sees a new one then feel free to PM me or post it in this thread. Hope this helps someone :)

If you see ANY mistakes whatsoever, please notify me. Even if it's a very small one.
