Hey guys

Here's the game I've made for MSJW (Midsummer Jam Week). For those who don't know what it is, it's where you make a game in one week.

Here's some screenshots:

Main Menu Spoiler ([Click to View](#))

Game Over Spoiler ([Click to View](#))

Gameplay Spoiler ([Click to View](#))

It wasn't me who made that, it was some guy I found on Reddit.

Thanks for the reply though :)

just a fast question why every pygame is separated in multiple scripts? any purpose or just its easy to edit later?
