Thread: [SLC Theme](#)

0xBB - June 25, 2013, 3:30 am

Hi everyone, this is my first theme ever made. I will be using it for my self and I felt like share.

Credits and thanks

[Aeonhack](#) for teaching me the bases of GDI, his themebase and NS Theme component that I used for base.

Mad Hatter - June 25, 2013, 3:49 am

Great job dude it looks like something from star wars or star trek looks like yoda made this shit :P

SkyRider2 - June 25, 2013, 4:30 am

Nice theme man! looks sexy as hell!

iDouble - June 25, 2013, 4:31 am

Amazing theme , good job is very cool

Helroos 2 - June 25, 2013, 5:27 am

Nice, but i don't like window style, has a too much big header.

And im waiting for more controls :P

Synq' - June 25, 2013, 6:10 am

Very nice for your first theme, keep up the good work. ?

Evident - June 25, 2013, 7:19 am

Wow that looks great! Nice job man!

By taking this theme and naming it something else? Seems to be your thing.

ddol - June 25, 2013, 9:23 pm

Screenshot is dead for me, mind reuploading?

?Mephobia - June 25, 2013, 9:29 pm

Looks good. But imo, it needs more depth. But either way, still great!

getkilled22 - June 26, 2013, 1:04 am

This is awesome, make more for us!

Regards

Percocet - June 26, 2013, 1:07 am

This looks really nice, I like it. I'll add this to my theme list I have.

Anon?M ID - June 26, 2013, 1:11 am

i love the colour scheme mate. <3

keep up the good work.

SaketSaket - June 29, 2013, 3:00 am

That's awesome theme... keep up ur good work ;)

Leaving forever - June 29, 2013, 4:09 am

Looking very good so far, I really like the tab-control!

Kahito - June 29, 2013, 6:58 am

Good Job Man!

PS: i need a theme, with a statusStrip xD

Lightsout - June 29, 2013, 10:01 am

I like it, Good to see a change from all the dark themes... Nice.

Konohamaru. - June 29, 2013, 1:39 pm

nice and sexy :) good work !

thank you

OBliviON - June 29, 2013, 4:55 pm

HOLY SHIT. That theme is amazing. We need better theme making tutorials. I saw Mava's, they helped, but after that, I had a lot of questions, but no tutorials for them ._.

Zalg0 - June 29, 2013, 4:56 pm

Nice theme man! looks sexy as hell!

SIM-964740 - June 29, 2013, 5:36 pm

That's pretty cool, I like it. Good job man.

Precisio? - July 3, 2013, 12:28 am

Awesome theme, thanks for sharing this man, really appreciated.

Japster - July 3, 2013, 3:14 am

How come it selects a textbox from just hovering over it?

uberloader - July 3, 2013, 5:31 am

Very nice Theme. Thank you very much ;)
