Thread: [Batman's Botnet Setup Service | Rat Setup Service | Cheap Prices](#)

Bat™ - June 25, 2013, 9:08 am

Hello HF!

I am doing HTTP Botnet and Rat Setups!

If u want both setup(s) PM me, we can work out a CUSTOM deal!

Botnet Setup

Features:

- [+]Full Web Host Setup
- [+]Complete Botnet Setup
- [+]Crypting Advice
- [+]Bot/s for testing.
- [+]Full Support
- [v]Price - \$13

RAT Setup (Probably each and every RAT)

Features:

- [+]Clean Download Links
- [+]Crypting Advice
- [+]Bot/s for testing.
- [+]Full Support
- [v]Price - \$6

Payment Options

- [v]PayPal(From Trusted Members)
- [v]Bitcoins
- [v]Perfect Money

For Botnet Setup(s)

If you don't have any paid offshore host, i will recommend you one which is REALLY VERY CHEAP, Not even 3\$ a month !

Contact : PM me or Post here

Note : I only provide a setup service but i don't have any affiliation with whatsoever you do with it after i have done my job. This includes stealing money, programs, logins, etc.

Get it while it's CHEAP!

Rayquaza™ - June 25, 2013, 2:08 pm

Yo restrict these Botnets Carberp, Spyeye, And Citadel.

But you don't restrict Zeus? Really lol?

proXace™ - July 27, 2013, 2:56 am

Will you crypt the files?

Interested in a stable botnet plus the miner. I can do it myself but I really cbf doing it.

Will the miner be FUD?

Will the miner work with triple mining?

The miner only works with CPU/GPU (one at a time), If you run the GPU one and the computer doesn't have any then it will not work.

Pming you now. Hope we can make a great deal.

Bat™ - August 3, 2013, 6:48 am

I am still doing these setups. PM me for quick.
