Thread: [\[FREE\] New male VCW \[MEDIAFIRE LINK\]\[NO PM\]\[NO NEED TO POST\]](#)

Hi everyone ! I noticed male VCWs are not very common here, so I made a new one, if you ever want to try gay ewhoring (or impersonate yourself on Omegle to get boobs ?) !

I just made it from a loop I found on Internet so that's why I give it for free ! I do not deserve any credits for the video !

Now, here's all the actions he does:

- Browsing + Hello Wave
- Long chat loop with unnoticiable transition from end to beggining
- Wave
- Peace Sign
- 3 fingers
- Dick + Jerk loop + Pump chat

This is the download link: [here](#)

Have fun with this VCW ?

PS: Please, don't leech and say thanks at least !

Lol, I know it's not as great as VCW Chaz, but at least it's less saturated ? You're welcome !

This is actually a great VCW if you're into RATTING girls and such. At least this time, you'd something much better on other side of the camera(hopefully).

Good contribution man, keep up good work!

I'm sorry, but who the fuck needs a male VCW? No chick wants to buy a cam show, and gays have each other. So, I really don't see a point in this.

For the newer people then myself, you would know that Male eWhoring is much more profitable then Female.

Sure, it's harder to find a woman who needs to pay for a show for a dude.

Fact, this is how you could make a VCW.

Fact - If you go after older ladies, they most likely don't know how to use a computer, aswell you could infect her or you could Ask her for rent money.

Same shit, diffrent pile. ?
