Mr. Anderson - June 27, 2013, 4:15 pm

Hello! My name is [Mr. Andersom](#) and I will be reviewing your e-book today! Please keep in mind that

this is my strict opinion on this e-book and may vary depending on the reader. In no way does this official review vouch for the seller or the validity of the e-book contents. All e-book sales are at your own risk. Let's begin!

=====

Title: [Never Lose a PayPal Dispute/Chargeback Again!](#)

Price: \$20.00 USD

Pages: 7

Author: [EvanC](#)

Reviewer: [Mr. Andersom](#)

Average Rating: 6.4 / 10

MD5 Hash: 906c65001cc00138c38d4aeb7a846abb

=====

The quality of this eBook is very good. The author described everything in detail and provided screenshots for most steps.

The ease of use here is relative here. In the end the success of using this method is up in the air and really is a case of getting lucky.

The layout of this eBook is good. Steps are formatted correctly and the author included a table of contents.

There are a few grammatical and spelling errors but none that effect readability.

I have seen similar methods to this one, but none that are exactly like this.

[img]<http://i367.photobucket.com/albums/oo119/mistahellfire/notes.png>[/img]

None.

Lemonade - July 1, 2013, 1:38 pm

Hello! My name is [Lemonade](#) and I will be reviewing your e-book today! Please keep in mind that this is my strict opinion on this e-book and may vary depending on the reader. In no way does this official review vouch for the seller or the validity of the e-book contents. All e-book sales are at your own risk. Let's begin!

=====

Title: [Never Lose a PayPal Dispute/Chargeback Again! \[OVER \\$2,000 WON BACK!!!\]](#)

Price: \$20.00 USD

Pages: 7

Author: [EvanC](#)

Reviewer: [Lemonade](#)

Average Rating: 7.4 / 10

MD5 Hash: 906c65001cc00138c38d4aeb7a846abb

=====

The quality for the written content is slightly above average. Each step is outlined with a template

provided. The design of the eBook is nice as well. The method itself is a "case by case" I am sure the author has had success with the method however not everyone will always win.

The ease of use is hard to judge since in one instance PayPal may side in your favor but another time you may lose. However the author provides two methods. One to protect against chargebacks and one for chargebacks.

There is a title page followed by a table of contents. Each page is properly titled and information is listed in number form to help the reader follow the eBook.

I didn't find any major grammatical errors in the eBook. Any errors found were small and didn't affect the reading of the eBook.

I have seen many other eBooks that help prevent against PayPal disputes or help you win them. This is the first eBook that I saw to help against chargebacks.

[img]<http://i367.photobucket.com/albums/oo119/mistahellfire/notes.png>[/img]

Please keep in mind that this eBook or any other eBook of this type never has a 100% success rate. Sometime it may work other time something else might happen.

EvanC - July 14, 2013, 9:09 am

Thanks for the reviews guys. If you are interested in purchasing, please PM me.

Hypothetical question (I already have my own method of winning disputes), if I were to buy this, would you be okay if I charged back as a "test" to see how well it works?

Once again, 100% hypothetical as I don't need this, just curious.

EvanC - July 14, 2013, 4:12 pm

(Jul 14, 2013 03:44 PM)Integrated Wrote: [\[CITE\]](#) Hypothetical question (I already have my own method of winning disputes), if I were to buy this, would you be okay if I charged back as a "test" to see how well it works?

Once again, 100% hypothetical as I don't need this, just curious.

Well the eBook works both ways, and PayPal already knows my business. But feel free to use the eBook for its original intent, which is to win disputes/chargebacks. Not to scam..

Integrated - July 14, 2013, 4:16 pm

I'm not saying to scam, I'm asking to see if it really works. Like I said, I'm just wondering.

EvanC - July 14, 2013, 4:42 pm

(Jul 14, 2013 04:16 PM)Integrated Wrote: [\[CITE\]](#) I'm not saying to scam, I'm asking to see if it really works. Like I said, I'm just wondering.

Ok, well if you ever need help winning a chargeback or dispute, you know where to look!

Alside - July 14, 2013, 10:15 pm

This user definitely has my vouch have most of his books all premium content!

Java Guardian - July 14, 2013, 10:33 pm

Alright. So you calling 95% + success rate while your two reviewers are saying it's pretty much up in the air lucky. Here's a direct quote from one of them "The ease of use here is relative here. In the end the success of using this method is up in the air and really is a case of getting lucky."

Not sure who to believe yet but let's say I buy it, and I use the method on one of my current Paypal disputes that are open, and I followed everything it says in the eBook which I will also show screenshots to you for confirmation to make sure everything's right, and I still lose the case. What now? I get refund?

EvanC - July 15, 2013, 10:23 am

I will try to get someone to post earning proof.

Tiszy - July 21, 2013, 4:43 pm

This looks quite familiar with a method that I've been giving away for a long time. Do you mind send me a paragraph of your eBook?

EvanC - July 21, 2013, 5:33 pm

(Jul 21, 2013 04:43 PM)Tiszy Wrote: [\[CITE\]](#) This looks quite familiar with a method that I've been giving away for a long time. Do you mind send me a paragraph of your eBook?

I will send you a paragraph, sure. I can assure you that it is original.

terminator123 - July 22, 2013, 8:52 am

Hello Evanc,

If you don't mind I have some questions I'd like to ask.

- 1: Please be more specific and tell me how much on average I can earn daily?
- 2: ^However, does it require a lot of work?
- 3: If I buy today and set up after 1 hours work (I already have an AdworkMedia account) can I earn a decent package today + daily?
- 4: How long have you been doing this for?
- 5: Will it saturate?
- 6: Finally, how much do you earn on a minimum scale per day?

EvanC - July 22, 2013, 1:05 pm

Hello terminator123,

1. You could earn \$150-\$300 A Day
2. A little bit, but not alot.
3. You could probably make a decent amount
4. I have been in internet marketing since July of 2011
5. No
6. With this niche, my partner and I make \$300+

apnits - July 23, 2013, 2:00 am

One think that stop me from buying new books, " I just cant get good US/CA traffic".
and your method is again involve that step.. :(

EvanC - July 24, 2013, 9:51 am

Yes, you will get excellent traffic from reading my eBook

Brilliant - July 24, 2013, 11:54 am

I have a few questions about this.

1. Is this a noob-friendly e-book, by that I mean, is it easy to understand and implement for those who have no clue of what adwork media even is?
2. Similar to question 1, does this ebook explain the basics of adwork media before it gets to the actual money making technique aspect?

I ask these because I have 0 experience with adwork media or anything of that sort and am just looking to make some money online.

Thanks.

peter724951 - July 24, 2013, 2:19 pm

is it 100% guaranteed to getting you into adworkmedia?

Please PM me if you have any questions or concerns.

terminator123 - July 24, 2013, 11:20 pm

What the hell? Wtf is this thread about a PAYPAL disputing or CPA.

Why are people vouching this thread about dispute winning?

EvanC - July 25, 2013, 9:51 am

(Jul 24, 2013 11:20 PM)terminator123 Wrote: [\[CITE\]](#) What the hell? Wtf is this thread about a PAYPAL disputing or CPA.

It was a unauthorized payment, I dont deal with people who use stolen paypals.

EvanC - August 16, 2013, 4:48 pm

Note to my buyers: If you pay for any eBook with a stolen PayPal, don't expect to receive the eBook.

Delirium™ - August 17, 2013, 4:43 am

Does it involve calling PayPal? Because I want to buy this guide and my phone provider blocks international calls for some subscribers.

EvanC - August 17, 2013, 1:20 pm

(Aug 17, 2013 04:43 AM)Delirium™ Wrote: [\[CITE\]](#) Does it involve calling PayPal? Because I want to buy this guide and my phone provider blocks international calls for some subscribers.

Hello Delirium, this does not involve calling Paypal.

Impacted - August 20, 2013, 2:02 pm

I sent you a PM with my Trans. ID, How would I get my download link?

EvanC - August 20, 2013, 2:52 pm

That is very impressive mate, good work! I'm glad this helped!

Impacted - September 2, 2013, 8:41 am

Lost my disputes, and I followed this guide.. :\

I've also messaged the Owner of this eBook and he never responded to my latest PM. Oh, well.

Note: Buy this guide at your own risk, because you still can lose a dispute using this guide (As i've just did).

GF \$160.

volvofire - November 12, 2013, 4:01 am

Ultrix - May 11, 2015, 10:41 am

Just taking a second to say, this thread design is fucking beautiful, it really pops out

10/10 thread design

JuiceProductions - May 11, 2015, 10:44 am

(May 11, 2015 09:38 AM)indecisveenough Wrote: [\[CITE\]](#) This method is shipping something to the persons confirmed addres, it's a simple method, your screenshots also prove that's the method. Imaooo thank you for giving me the method brahh.

Op's book which i leaked on lf.

Put a tracking number and actually send them something to prove you did in fact send a physical item. Simple fucking logic and this kids trying to make money off it. Now before you say anything look at this post or the ones before it and you'll see.

Ultrix - May 11, 2015, 10:51 am

Hmm, I have an idea which would be fun

What if I paid for the e-book then charged back against you and won, would you accept the loss as you claim to have Mastery of Paypal in some way?

it seems very fair lol

EvanC - May 11, 2015, 12:09 pm

John F. Kennedy - November 27, 2015, 9:19 am

Are you selling a method? Or a service to win our disputes? I'm confused.

EvanC - November 27, 2015, 10:50 am

(Nov 27, 2015 10:19 AM)John F. Kennedy Wrote: [\[CITE\]](#) Are you selling a method? Or a service to win our disputes? I'm confused.

Both, but doing it yourself is \$20 and me is a base price + 5%

EvanC

John F. Kennedy - November 27, 2015, 11:23 am

Is this just saying for unauthorized claims, to check the IP's on their accounts, or that they bought digital items? If I lose a dispute with your method, will you refund me?

EvanC - November 27, 2015, 12:02 pm

(Nov 27, 2015 12:23 PM)John F. Kennedy Wrote: [\[CITE\]](#) Is this just saying for unauthorized claims, to check the IP's on their accounts, or that they bought digital items? If I lose a dispute with your method, will you refund me?

Well thats the way to win an unauthorized claim lol, but no this will show you both how to prevent and how to win disputes.

You have to understand some disputes you cant win because of a shitty rep or other issues, but this guide will give you a hell of a better chance than without having it. Plus I'm happy to provide support.

EvanC
