Is there a way u can make a logo that looks exactly like the example that I am going to show you but different text?

Type :Forum Logo/Text (Avatar/Signature/etc)

Text :At the top "Kill-Joy" and under it "Private Runescape Team"

SubText : (leave blank if you don't need)

Color(s) :Blue type here

Etc :Font Ur choice, Can you make the font and the whole text look exactly like this logo?

<http://www.rune-server.org/images/bluefox/misc/logo.gif>

Make it look the best you can. It is for my carbon blue skin so it has to match thank You :)
