The World God Only Knows 3

Starts Airing: July 9th

Synopsis:

The third season of The World Only God Knows

Keima is a dating sim champion. Cute girls are rendered powerless by his irresistible game playing techniques. Too bad things aren't that way in the real world. Opinion [Kinda Spoiler]:

Well i recently just watched this series and became a big fan, i personally cant wait for this season to start since the heroines start to get there memory back of the time they spent with Keima (Atleast thats what ive been told), and them losing there memory was one of the parts of the show that kinda turned me off since it made there relationships seem disposable

NotYourNormalApproach - July 4, 2013, 6:23 pm

Gonna rewatch Season 1 and 2 before the new Season will be released.

Gah.. Can't wait for it. I'm really looking forward to it! :o

Alexchaos - July 4, 2013, 7:15 pm

Finally! The wait is almost over! :D

I hope it'll be as good as the 2 previous seasons. ^^

HF User - July 4, 2013, 8:52 pm

It...cannot be....

my...oh my...

I CAN SEE THE ENDING!

Ricetossier - July 4, 2013, 11:12 pm

I was watching this anime(first season) a while back and I never got around to finish because I forgot the name! Thanks a lot for refreshing my memory :D I'll probably catch myself up this week to watch this one.

semi_blind - July 5, 2013, 1:59 am

They skipped way too much stuff...they're only focusing on the Goddess arc with this one. I am disappoint (°°°°)?(???)

neightworks - July 5, 2013, 8:55 pm

I stopped watching anime for the most part because it watch too much too fast but this is one of the few things that I will drag myself into watching again, I loved the first 2.

Gladly - July 7, 2013, 8:22 am

Never thought they'd release a third season after this long! I'm glad they are though, this series was pretty entertaining.

NotYourNormalApproach - July 8, 2013, 2:05 pm

Watching it at the moment. The start looks promising.
This anime will have my attention for a while now.

gamer6321 - July 8, 2013, 2:38 pm

Okay so I've watched previous 2 seasons but from what I've heard the third season skips a whole bunch of girls in between S2 and S3. So i want to know where season 2 ended in the manga and where season 3 starts. it would make the story feel more complete for me at least.

Amsel - July 8, 2013, 2:38 pm

Is there a lot fan service in this series? I'm interested in watching it but too much fan service turns me off.

As far as I can remember there's almost no fan service.
It's not that kind of anime if that's what you want to know.

doungle - July 8, 2013, 3:40 pm

I was so glad to be able to see the kawaii demon known as Elsie again!

barrier - July 8, 2013, 3:55 pm

Kenji Harima - July 8, 2013, 4:39 pm

It's not that kind of anime if that's what you want to know. That's great. Thanks for answering my question :3!

?Sakura? - July 8, 2013, 5:55 pm

Started watching the first season and did not like it as much
Repetitive

gamer6321 - July 8, 2013, 6:18 pm

i wouldn't really call it repetitive i mean he does the same thing over and over again about capturing the girls but the way he does it is always different and that's what makes it so great.

And now it's something new, yes it's still related to capturing souls but it's even more interesting now! :)

doungle - July 8, 2013, 9:50 pm

Yeah I'm looking forward to see him interacting with all of the previous girls it outta make things interesting.

Just watched episode 2

Spoiler ([Click to View](#)) Good episode glad we get to see the characters that i personally enjoyed the most from the first and second season have the goddesses in them but they should at least make ova's later for the characters that we missed, i just hope we see as good of a moment from all of them that we saw from kanon in the first episode.. time to suffer another week of waiting for episode 3 -_-

NoughtPointFour - July 15, 2013, 11:29 am

Really agree, its interesting to see how he has developed emotionally. And how he cares for the girls more now.

barrier - July 22, 2013, 11:54 am

Just saw episode 3

Spoiler [\(Click to View\)](#) Episode was good, pretty funny all throughout lot more emotion in this episode than the last, next week I get the felling is when everything is gonna happen... Time to wait again :/

barrier - September 23, 2013, 9:16 pm

Why why why why..

was that the ending best/worst ending i honestly thought it was a 26 episode season at the end im like yes next episodes gonna be asome then go on mal and see that that was the last episode im highly upset atm either read manga right now or wait a year or 2 for another season

I choose manga sorry patience is at the level of 0 atm

Elweth - September 26, 2013, 2:33 am

I just bought the manga series, gonna read it soon since I can't stand the ending at end of season 3. :/

Programmargorp - September 26, 2013, 3:13 am

It kind of sucks that they don't go beyond the goddess arc.

Spoiler [\(Click to View\)](#) Not even that scene where all the goddesses go to his room debating over who gets him.

Also, most of the story before is told in the Tenri-hen OVA.

Kenji Harima - September 26, 2013, 4:43 am

Not gonna lie the ending was a bit disappointing.

haj5900 - September 27, 2013, 2:41 pm

... Now i dont know if i want to see it :P

We will see.

bosxgov1 - October 23, 2013, 5:50 am

BloodGenio - October 23, 2013, 12:25 pm

It's the same thing over and over again, what's keeping you guys so excited about it? o__o

neightworks - October 24, 2013, 10:08 am

Am I the only one who liked the ending? I mean I hate the feeling of left not knowing but it makes me way more interested in the next season.
