Monogatari Series: Second Season

Airs: 7/7/13

Synopsis:

Adaptation of the second season of the Monogatari Series.

Trailer:

[Video: <http://www.youtube.com/watch?v=BlhEVdo-XzQ>]

Opinion:

The first two (three if you count neko) were amazing even though i liked Bake alot more that the other just because it focused alot more around Sejougahara and shes one of my favorite characters

Spoiler ([Click to View](#)) (<3 Tsunderes) i just hope she has more time on this show like bake and not shoved to the side like in nise, but there 6 different archs that are gonna happen in 26 episodes for this season so it is a possibility itll turn out like nise, but nonetheless i know its gonna be asome like the monogatari series is.. im just being a senjou fanboy atm :D

Second Arc PV

You mean Zenmonogatari? Yeah it's going to be awesome, ending it with Koi is smart too. Still waiting for the Kizu movie though >.>

That name is retarded, I refuse to call it that when the production title is a billion times better.

Like, why even change it...

Watched First episode

Spoiler ([Click to View](#)) Was episode was great, we got alot of Senjougahara so im really happy and we also saw Hachikuyi that just added to the greatness lol, but the ending though to much of a tease :3

Cryptography - July 8, 2013, 3:10 am

Is Araragi and Senjougahara still together(as lovers) until this part of the series? (Just finished Bakemonogatari)

Yea there still together as lovers lol, but sadly you dont see scenes much like the the ending of bakemonogatari with them anymore :(

Ah, then that's fine as long as they're together. I decided at the end of Bakemonogatari that if they weren't together then I wouldn't bother watching the next sequel. Anyways, it seems that she'll become a main character in this one so that's great.

Elfen Lied - July 9, 2013, 1:03 pm

Just finished watching the first episode. Over the last two days I have watched all the Monogatari anime :D. I really don't know why I dropped it originally after a few episodes. It's so awesome.

About the first episode

Spoiler ([Click to View](#)) So damn disappointed that we didn't get to see them in the shower.

barrier - July 13, 2013, 5:27 pm

just watched second episode..

Spoiler ([Click to View](#))it was god glad to see black heneko again, and that shower scene tease in the begining was great... .besides that show was okay.... but where araragi at???

GWall - July 13, 2013, 5:46 pm

2nd episode is really nice. i really like this anime style. if you want to watch a nice anime i can recommend it

Spoiler ([Click to View](#))I agree with you black Hanekawa and that shower scene.. HNNGG.

We're probably going to see Araragi later, they probably want to focus more on Senjougahara and Hanekawa since we didn't see much with the two of them together.

I agree.

I've started watching Nisemonogatari, I think it's going to be more interesting than Bakemonogatari given what's happening in the first few episodes.

I'll be watching this after. Thank you for notifying us. ^~^

Bleach - July 13, 2013, 8:31 pm

can someone link me to EP2 please and thank you

Black Hole - July 13, 2013, 8:58 pm

Holy mother of shower scenes. They pulled out the big guns early....how are they doing to top that? DOUBLE TOOTHBRUSH SCENE?!

barrier - July 21, 2013, 3:20 pm

This episode THOUGH!

Spoiler ([Click to View](#))So many good things only bad part was that araragi still hasn't been there, but we got to see the fire sister + plus a shower scene with them and henekawa, we saw Kanbaru again AND Oshino (<--- FUCKING BOSS) and we also got a cliff hanger at the end! Great episode (May be fanboying over this show but IDGAF xD)

Nam Duong - July 21, 2013, 3:44 pm

I have this downloaded up till the latest episode so far. Probably gonna watch after Ano Hana, cause this looks really interesting.

Two things,

- 1) You haven't seen Ano Hana yet?!
- 2) You've already seen Bake/Nise/Nekomonogatari right?

barrier - July 27, 2013, 2:31 pm

Episode 4 was good,

Spoiler ([Click to View](#)) Not sure if that was the end of the Henekawa arc cause she did realize her problems at the end or if next episode is, but overall it was good we saw some new characters well at least I think they're new that half vampire guy was cool, and the girl that knows everything I really like her for some reason, and they say men marry women that resemble their mother, but god it seems Araragi hit the nail on this one.

Found it funny how they're sisters are dating someone just like Araragi xD

Alexchaos - August 3, 2013, 2:51 pm

Episode 5 was even better!

Spoiler ([Click to View](#)) Hanekawa finally confessed! She looks even better with the silver stripes in her hair imo. :)

Now that the tiger part is finished and Araragi is there, I wonder what's gonna happen next.. Can't wait!!

Elfen Lied - August 3, 2013, 3:24 pm

Such an awesome episode. Can't wait for the next one now that Spoiler ([Click to View](#)) Araragi is back

Black Hole - August 4, 2013, 6:12 pm

Woo, ep 5 was total bamfness.

Spoiler ([Click to View](#)) I like Hanekawa with stripes :3

Indeed, which arc will we embark upon now? I hope Hachikuji....

barrier - August 13, 2013, 5:08 pm

Just watched episode 5 (more than a week late i know)

Spoiler ([Click to View](#)) Amazing episode, fighting scenes, black Hanekawa being a boss and actually made you care for her this episode, and finally Araragi finally showed up and looking bad ass too, hope we see more Senjou from now on even though she's not the same as she was in Bake :'(

Elfen Lied - August 13, 2013, 6:06 pm

Can somebody explain to me what is happening with episode 6? It appears that there are only RAW versions of this episode. I heard it was just a recap of Neko or something.

barrier - August 16, 2013, 1:28 pm

Updated Thread with new PV for second arc

It was a recap of the Neko arc of Bakemonogatari. Also from the previews at the end of episode 6, it seems episode 7 will also be a recap.

Black Hole - August 17, 2013, 5:32 pm

Ahah....so much Shinobu in ep 7, I'm in heaven.

Spoiler ([Click to View](#)) Although...looks like the she made a mistake, for the first time since birth apparently :3

barrier - August 17, 2013, 8:31 pm

Just watched episode 7 it was good, i find it funny how monogatari makes me enjoy a 10 minute convo between charecters that can really be summarized in 1 sentence lol
Cause SHAFT

Programmargorp - August 17, 2013, 8:32 pm

Second Season is pretty good so far, except:

Spoiler ([Click to View](#)) Senjougahara cut her hair :(.

barrier - September 14, 2013, 11:38 am

Well just finished watching episode 10 waiting for 11 today lol

Arc was good like how they showed the relationship with Oshino and Araragi which was definitely needed in my opinion
