Compilation of All keyloggers by eXero

** = Keyloggers I reccomend

Please keep the thread alive by posting a comment.

This is a compilation of all keyloggers on HF that I could find, with download links. I hope everyone enjoys what I have done. I may be adding more along the way. Please help make this become a sticky by commenting and rating 5 stars.

The 7th Sage - April 10, 2010, 8:25 am

Why a new thread again? Well anyways. Thanks for including emissary. :P

eXero - April 14, 2010, 2:47 pm

Yea, A new thread, and I reserved the next post for adding!! because i ran out on the old thread :(

Jayke - April 14, 2010, 2:54 pm

nice thread mate, saved me searching lol, maybe you could do this also for crypters and binders :P

Fake. - April 14, 2010, 4:34 pm

Can I ask how the hell you download from spam? It redirects me to a page with Spam Recipies and such??

Hysu - April 14, 2010, 4:50 pm

Thanks. Saved me time. :)

-mothered- - April 15, 2010, 6:03 am

This Is a wonderful collection Indeed. I believe, by memory, that I have most of them but I know for a fact that there are definitely a few that will entice me to download.

Thanks mate. Appreciate the time and effort put to share this :)

Sh1Ft - April 15, 2010, 10:14 am

What i Think is that, You should use the "Search Button" And Look for Keylogger Tutorials, I'm pretty sure you will find any and Learn about the keyloggers from it.

eXero, Nice compilation, I'm pretty sure it would be helpfull for all The HF Keylogger Section;
Otherwise this Compilation took you a while to make it, Thats why you should get rewarded xD.

me to download.

Thanks mate. Appreciate the time and effort put to share this :)

Hi friend, you seem to have much experience with keylogger..Please advise me on which one to buy or get

sundshein - September 9, 2015, 2:08 am

is this free?? please reply

Nice compilation mate...!!!

Demon?A?sylum - December 23, 2015, 10:14 am

My old keylogger in the list :D

eXero - March 9, 2016, 12:38 pm

Yeah this post is so outdated but I am sure some key loggers remain. lol.

VIPcrafter3 - March 10, 2016, 12:06 am

Want to say thank you for this mate now I don't have to search the whole subthread

ekwueme - April 9, 2016, 5:58 am

I still prefer keyloggers to bots.Keylogger does a wonderful job

Uptake - April 9, 2016, 12:30 pm

Thank you for this pretty nice thread. :)

There's one to infect Mac OS X?

RichardBlackford - January 14, 2017, 9:06 am

Anyone find any free ones that still work / have a working link? Trying to snag one of these, but all of them seem to be removed.

VaypahX1 - January 15, 2017, 8:57 pm

this looks awesome man hahah thankyou so much

HackYouBitch16 - January 16, 2017, 7:05 am

its an outdated thread , most of the loggers don't seem to work

toshimio62 - January 16, 2017, 11:10 am

men u are the best men i have ever seen. I thinks you have set a lot of times to make this so thanks men

Anti-Liberal - January 16, 2017, 3:24 pm

there isnt one that works xD
